What to do on arrival for Dress Rehearsal:

Please arrive on-time or slightly early for your class’s scheduled check-in time.

Check-In at the **front** lobby.

When the entire class has been checked-in, dancers will be escorted into the theater where they will sit in the audience for dress rehearsal.

When rehearsal is finished, your Class Volunteer will send a text message that your child is ready to be picked up. Pick-up is from the assigned dressing room by entering the **rear** of the theater. (This is where you will drop your child off on show day, Saturday 29th.)

Friday evening, April 28th:

Please again make sure that your dancer has all of the correct tights, shoes and accessories for performance. There will not be extras at the theater!! Lay them out together with care.

Show Day:

The performances are April 29 at McFarlin Auditorium - 6405 Boaz Lane

Show 1: 10:30 AM | **Show 2:** 2:00 PM | **Show 3:** 5:30 PM

On your "Show Check-In Times and Dressing Room" document (duplicates are posted on website) you will find the check-in time for your child's class. Please make sure your child arrives at this time dressed and ready for the performance.

Take your dancer through the **rear** of the theater to your child's dressing room. (This is where you picked up from dress rehearsal.) There will be staff to help direct you to the correct dressing room for your child.

After performing, Pas de Two and Petite Danse classes will be picked up from their dressing rooms at intermission. Please **DO NOT** leave the theater before intermission to pick up your child. If you choose, you may bring your dancer into the auditorium where he/she may watch the second part of the show with you. Our little dancers love to do this!

All other classes should be picked up from their dressing rooms at the end of the show. **Please DO NOT pick up your dancer before the end of the show.** Every child wants to perform to a full audience, and it can be very discouraging to the last few classes in the show to perform to a dwindled audience. We will keep your dancer busy! Please be respectful to all performers and remain in your seats throughout the show.

Are you Volunteering already ? If not, can you (or a family ember or friend?):

We are still in desperate need of backstage volunteers. There are multiple classes that still do not have a volunteer to sit backstage with them during the show. Please email **volunteers@parkcitiesstudios.com** if you ,or a friend/sister/aunt/grandmother/daughter would be willing to sit backstage with a class during the show or at dress rehearsal. THANK YOU!
